48"-52"	52"-56"	56"-60"

Measurement taken from hip circumference

#### APPLICATION INSTRUCTIONS

1. Lay back support flat, locate top of support by identifying openings for stays (top of support). If applicable, stay assemblies may be removed and adjusted.
2. Grasp back support and center on small of back.
3. Pull left side firmly across middle section, repeat for right side. If applicable, attach double pull and secure.

#### CARE & CLEANING

Corflex manufactures a quality line of products and to help your care for the product properly we provided the following instructions for care & cleaning:

Remove any metal stays if possible, close all contact closures and hand wash in warm water with mild soap. Product should be air-dried, do not use high temperatures to wash or dry.
