Measurement taken from hip circumference

### APPLICATION INSTRUCTIONS

1. Lay back support flat, locate top of support by opening pocket (top).
2. If applicable, place gel pack, thermoplastic insert, or pressure pad into pocket if desired.
3. Grasp back support and center on small of back.
4. Pull left side firmly across middle section, repeat for right side. If applicable, attach double pull onto Velcro closure.
5. If product comes with suspenders, raise suspenders to shoulders and adjust to your height by sliding the buckle-(suspenders are removable).

### CARE & CLEANING

Corflex manufactures a quality line of products and to help your care for the product properly we provided the following instructions for care & cleaning:

Remove any medal stays if possible, close all contact closures and hand wash in warm water with mild soap. Product should be air-dried, do not use high temperatures to wash or dry.
