APPLICATION INSTRUCTIONS

1. Place splint on flat surface with opening facing up.
2. Open all straps and rest hand inside splint.
3. Make sure 4th and 5th metacarpals rest comfortably in angled portion of splint.
4. Secure distal strap around 4th and 5th metacarpals then secure proximal strap around wrist.
5. Slide middle strap through buckle, center pad across web space and secure strap snugly.
6. Retighten distal and proximal straps to desired comfort.

CARE & CLEANING

Corflex manufactures a quality line of products and to help your care for the product properly we provided the following instructions for care & cleaning:

Wipe plastic shell with damp cloth, you may use disinfectant or mild soap, and wipe dry.

For products with a removable liner, you may hand wash liner in warm water with mild soap, air dry, do not use high temperatures to wash or dry.
