Measured by shoe size

APPLICATION INSTRUCTIONS

1. Remove the liner from the boot and apply with the ankle at 90 degree angle and the foot flat on the ground.
2. Pull the uprights apart and slide the leg back into the walker frame. Take care to position the ankle at 90 degrees and the uprights centered up the medial and lateral sides of the lower leg.
3. Starting with the bottom strap fasten all the straps from bottom to top.

CARE & CLEANING

Corflex manufactures a quality line of products and to help your care for the product properly we provided the following instructions for care & cleaning:

Wipe plastic shell with damp cloth, you may use disinfectant or mild soap, and wipe dry.

For products with a removable liner, you may hand wash liner in warm water with mild soap, air dry, do not use high temperatures to wash or dry.
