APPLICATION INSTRUCTIONS

1. Open strap and place padded portion of strap under kneecap (patella), with textured finish against skin.

2. Make sure buckle is on outside (lateral) side of knee.

3. Thread strap through buckle and pull back onto itself to fasten hook and loop closure.

4. Adjust to desired comfort level without inhibiting circulation.

CARE & CLEANING

Corflex manufactures a quality line of products and to help your care for the product properly we provided the following instructions for care & cleaning:

Close all contact closures and hand wash in warm water with mild soap. Product should be air-dried, do not use high temperatures to wash or dry.
