3X-Large	26"-28"	22"-24"	21"-22"
4X-Large	28"-30"	24"-26"	23"-24"

APPLICATION INSTRUCTIONS

1. Open R.O.M. hinge cover, set hinge by placing pins in desired setting and close hinge cover. Make sure both hinges have identical settings.
2. Loosen straps and open posterior closure portion of the brace.
3. Slide foot through the sleeve portion of the brace and place so patella opening is over kneecap. Make sure center axis of hinge is aligned with the center of the knee joint.
4. Secure top portion behind the knee to desired comfort level.
5. Starting with strap nearest foot, secure strap through buckle, tighten to desired comfort level. Attach remaining strap in the same manner.

CARE & CLEANING

Corflex manufactures a quality line of products and to help your care for the product properly we provided the following instructions for care & cleaning:

Remove any metal stays if possible, close all contact closures and hand wash in warm water with mild soap. Product should be air-dried, do not use high temperatures to wash or dry.
